costs, demolition/
disposal, etc.)

Cost of Total Restoration: \$ _____

Total of Loan-Assisted Portion: \$ _____

Add 10% Contingency: \$ _____

Total Loan Request: \$ _____

- If you are requesting loan funds for part of a larger project, please be sure that you have described the total project and have indicated the work items for which you are requesting loan funds. You must add a 10 percent contingency in anticipation of cost over-runs.
